*Ande Drapery Hardware*

## Ande Drapery Hardware

### Description

The Ande Line is the sturdiest of all the lines, designed to last long and withstand heavier household elements that compliment it.

This hardware is designed to be our most robust rod, able to support heavy fabrics and long drapery runs.

### Finishes

Light Antique, Oil Rubbed Bronze, Polished Nickel, Satin Nickel, and Black Nickel. Available in single and two-tone combinations.

### Dimensions

2" W x 4" H x 3 1/4" D

### Model Number

A-1301
