

DAVID COPELLO GUILD

Geo Mirror

Geo Mirror

Description

Our Geo Mirror features angular edges and clean lines, drawing the eye inward toward the heart of the mirror. The brass frame complements the beveled glass, which captures and amplifies the surrounding light. Wherever hung, the Geo Mirror is sure to add beauty and elevate the existing decor.

Features

- Solid Brass frame
- Mitered corners
- 1" Beveled edge around mirror
- Dimensions and shape are fully customizable

Finishes

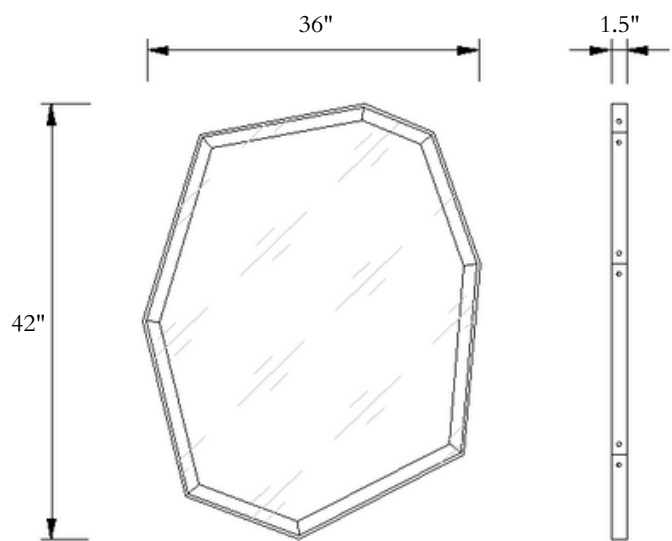

Shown in Light Antique. Available in all finishes.
